Your One-stop Guide to
GOVERNMENT SCHEMES

September 2022

About the document – Read me!

Why Government Schemes are important?

Government schemes play a very important role in **Phase 1 + Phase 2 of RBI Gr B and NABARD Gr A/B**, their weightage is especially high in Phase 2 of both these exams. Almost **one-third questions** are directly or indirectly linked to the schemes, **previous year papers** are the eyewitness.

What to cover for Government Schemes?

All the **newly launched schemes** in past one year and **the old schemes that have been in news** and are directly/indirectly related to the syllabus of the examination.

How are we covering it?

We advise you to refer to this document for the coverage of the above-mentioned Government schemes. It contains **summary + latest data/current information** of all the schemes that are newly launched and also the old schemes that have been in news (either any update or mention in parliamentary sessions/media).

Let's understand this document!!

The whole document has been **divided into 3-sections** i.e. **First Section, Second Section, and Reference Section**. Let's understand about the three sections.

- First Section:** This section comprises of the schemes which were in the news recently **for any of the following reasons-**
 - It is a **newly launched scheme**. For example: Government of India launched NAMASTE Scheme.

Ministry of Housing & Urban Affairs

Azadi Ka Amrit Mahotsav

500 Cities Declare Mechanized Sanitation

All Indian Cities to be SafaiMitra Surakshit by March 2024

Ministry of Housing and Urban Affairs with the Ministry of Social Justice and Empowerment launch 'NAMASTE' (National Action for Mechanized Sanitation Ecosystem) Scheme

- There is an **update** in the **core structure** or the **key features of the scheme**. For example the tenure of the below mentioned scheme has been extended till 31st March 2024.

Press Information Bureau
Government of India
Ministry of Textiles

Centre extends RoSCTL (Rebate of State and Central Taxes and Levies) scheme till March 31, 2024 for export of apparel/garments and made-ups

ROSCTL has helped in improving export competitiveness: Chairman, AEPC

- Some data regarding the scheme was released recently.

Ministry of Jal Shakti

In 35 months, Over 6.56 Crore new tap water connections Provided under Jal Jeevan Mission

Over 51% Rural Population in the Country getting potable water

MyGov organizes Sabka Vikas Mahaquiz on JJM

- The details of the scheme were mentioned in the article itself.

Ministry of Education

Salient features of samagra shiksha abhiyan

Posted On: 03 AUG 2022 3:58PM by PIB Delhi

The major features of Samagra Shiksha for improving the access, infrastructure and quality of education throughout the country are:

- Universalising access to quality education by provision for new/ upgradation of schools from **pre-primary** to senior secondary level and strengthening of existing schools including provision of barrier free access for Divyang children. **Addition of new subjects** instead of Streams in existing senior secondary schools.
- Support for mainstreaming of out of school children extended from elementary level to children in the age group of **16-19 years** through open schooling.
- Provision of upgradation of **Kasturba Gandhi Balika Vidyalayas (KGBVs)** to provide residential and schooling facilities upto Class-XII. Provision of Incinerator and sanitary pad vending machines in all girls' hostels.
- Provision of free textbooks to all children and free uniforms to all girls, SC, ST and BPL boys at elementary level including primers/textbooks for tribal languages with bridging materials.

- 2. Second Section:** This section contains the scheme which was in the news and **only the name of the scheme was mentioned** in the article **without any update/change** and the scheme had not been covered in SchemesTap document of the last 3 months. Then the scheme will be covered in the tabular form.

Health Regulator geared up for smooth transition to licensing of Class A and B Medical Devices w.e.f 1st October 2022

National Medical Devices Promotion Council takes up important issues of MedTech Industry

Posted On: 14 SEP 2022 8:00PM by PIB Delhi

The reconstituted National Medical Device Promotion Council (NMDPC) under the Department of Pharmaceuticals, in its first meeting held today at Dr Ambedkar International Centre in New Delhi, was updated on the steps taken up by Central Drugs Standards and Control Organisation (CDSCO) and the State Licensing Authorities (SLAs) for the smooth transition to licensing of Class A and B Medical Devices w.e.f 1st October 2022. The Council under the chair of the Secretary, Department of Pharmaceuticals has members from stakeholder departments / organizations, functions of which have a bearing on the growth of the sector and has representation from several medical device industry associations, representing the sector in India. The NMDPC deliberated on the Important issues of the MedTech Industry.

At the outset, the Department of Pharmaceuticals presented the latest status of the various initiatives taken by the Department for the sector to the Council such as 100% FDI in MedTech Sector on automatic route, **PLI scheme for Medical Devices**, Medical Devices Parks in four States, Assistance for common infrastructure facility of

3. Reference Section: What will be covered in this section??

The schemes which have already been covered in any of the SchemesTap Document of the last three months, will be covered in tabular form with reference to the old document in which it has been covered.

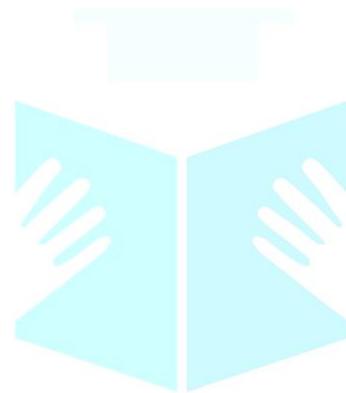

What's New in this document?

Your preparation is half-baked till you master the **skill of solving questions**. We are providing you **MCQs** based on the **core features of schemes**. Curated with precision, these MCQs will help you assess your understanding of the concepts.

We have integrated direct link to the questions after each scheme in this document.

It's simple - you read a scheme, go through the Mind-map for easy retention, then click on the link to practice MCQs.

Happy learning!

1.1 Scheme for "Promotion of Bulk Drug Parks"

What's in News?

- The Department of Pharmaceuticals has conveyed 'in-principle' approval to the proposals of the three States i.e., **Himachal Pradesh, Gujarat, and Andhra Pradesh** under the **Scheme for "Promotion of Bulk Drug Parks"**.
 - The financial assistance to the proposed Bulk Drug Park in **Gujarat and Andhra Pradesh** would be **70% of the project cost** of common infrastructure facilities. In case of **Himachal Pradesh**, being **Hilly States**, financial assistance would be **90% of the project cost**. Maximum assistance under the scheme for one Bulk Drug Park would be limited to **Rs. 1000 crores**.
- The Indian Pharmaceutical industry is the **3rd largest** in the world **by volume**.
- India **exported** pharmaceuticals worth **Rs. 1,75,040 crore** in the financial year **2021-22**, including Bulk Drugs/ Drug Intermediates.
- India exported **Bulk Drugs/ Drug Intermediates** worth **Rs. 33,320 crore** in financial year **2021-22**.

Scheme for "Promotion of Bulk Drug Parks"

Key Features

- **Total financial outlay** → **Rs. 3000 Crore**
- **Maximum grant-in-aid for one bulk drug park will be limited to** → **Rs. 1000 Crore**
- **Tenure** → **2020-21 to 2024-2025**
- **Department of Pharmaceuticals (DoP) will nominate Project Management Agency (PMA)**
- **PMA will provide secretarial, managerial and implementation support to DoP for effective implementation of the Scheme**
- **Proposals under the Scheme will be approved by the Scheme Steering Committee (SSC) constituted by DoP**
 - **Composition of SSC** → **Number of members: 7**
 - **Chairperson:** Secretary, DoP
- **Technical Committee (constituted by the DoP) will assist SSC** → **It will comprise of 3-experts**
- **Three bulk drug parks** will be supported under the Scheme
- **Only one-time grant-in-aid** will be provided for creation of common infrastructure facilities in selected Bulk Drug Park proposed by a State Government.
- **The Formulation units shall not be permitted** in the Park.
- **A State Government can make only one proposal of Bulk Drug Park** under this Scheme
 - **Proposed park shall not be less than 1000 acres** in area.
- **Area of bulk Drug Park**
 - **For North Eastern States and Hilly States,** the area of proposed park shall not be less than **700 acres**
 - **At least 50% of the total area of the Bulk Drug Park** shall be made available for allotment to individual bulk drug units

1.2 National Food Security Act (NFSA)

What's in News?

- Recently, a meeting was convened to **further expand the coverage of Common Registration Facility, with 12 more States/UTs** i.e. Chandigarh, D&D D&N, Haryana, Himachal Pradesh, Madhya Pradesh, Gujarat, Rajasthan, Jharkhand, Telangana, Puducherry, Sikkim and Uttar Pradesh.
- To facilitate the States/UTs in rightful targeting of benefit under NFSA, a web-based Common Registration Facility "**Mera Ration Mera Adhikar (My Ration My Right)**" was launched for **11 States/UTs** i.e. Assam, Goa, Lakshadweep, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Punjab, Tripura and Uttrakhand.
 - **Developed by:** National Informatics Centre (NIC), Ministry of Electronics & Information Technology.
 - The **Department of Food and Public Distribution** will serve as an **enabling facility** so that States/UTs can expedite the collection of data for initiating the due process for achieving the coverage of deserving and destitute persons under NFSA.

MY RATION - MY RIGHT

COMMON REGISTRATION FACILITY

- Any needy/left-out citizen can register for Ration Card under NFSA
- An individual can become a “**Ration Card Mitra**” to register for Ration Card on behalf of needy/left-out people
- Registration is available for other than home state also
- Representatives of Panchayats, Urban Local Bodies/Municipalities, or other recognized bodies of good repute can also become the “**Ration Card Mitra**” on invite basis
- Common registration facility is most useful for Homeless, Rag-pickers, Migrants, Special Abled, Deprived, Sr. Citizens, Domestic Helps

National Food Security Act (NFSA)

Key Features

- NFSA covers upto **75% of the rural population and 50% of the urban population** under Antyodaya Anna Yojana (AAY) and priority households.
- State-wise coverage under NFSA was determined by the erstwhile Planning Commission (now NITI Aayog) by using the NSS Household Consumption Survey data for 2011-12
- State governments/UTs responsible to evolve criteria for identification of priority households
- Foodgrains under NFSA were to be made available at subsidized prices of Rs. 3/2/1 per kg for rice, wheat and coarse grains respectively for initial 3 years from date of commencement of Act
- Thereafter, prices were to be fixed by the Central Government from time to time, but not exceeding MSP
- NFSA defines the **joint responsibility** of the Centre and State/UT Government
 - Centre is responsible for allocation, transportation of required foodgrains and providing central assistance to States/UTs
 - States/UTs are responsible for effective implementation of the Act which include identification of eligible households, issuing ration cards, distribution of foodgrain entitlements to eligible households through fair price shops, issuance of licenses to Fair Price Shop dealers and their monitoring, setting up effective grievance redressal mechanism and necessary strengthening of Targeted Public Distribution System (TPDS)
- **Eldest women** of age **18 years or above** will be considered head of household for issuing ration cards
- In case of non-supply of entitled food grains or meals, the beneficiaries will receive food security allowance from concerned state government

1.3 PM Kisan Samman Nidhi Yojana

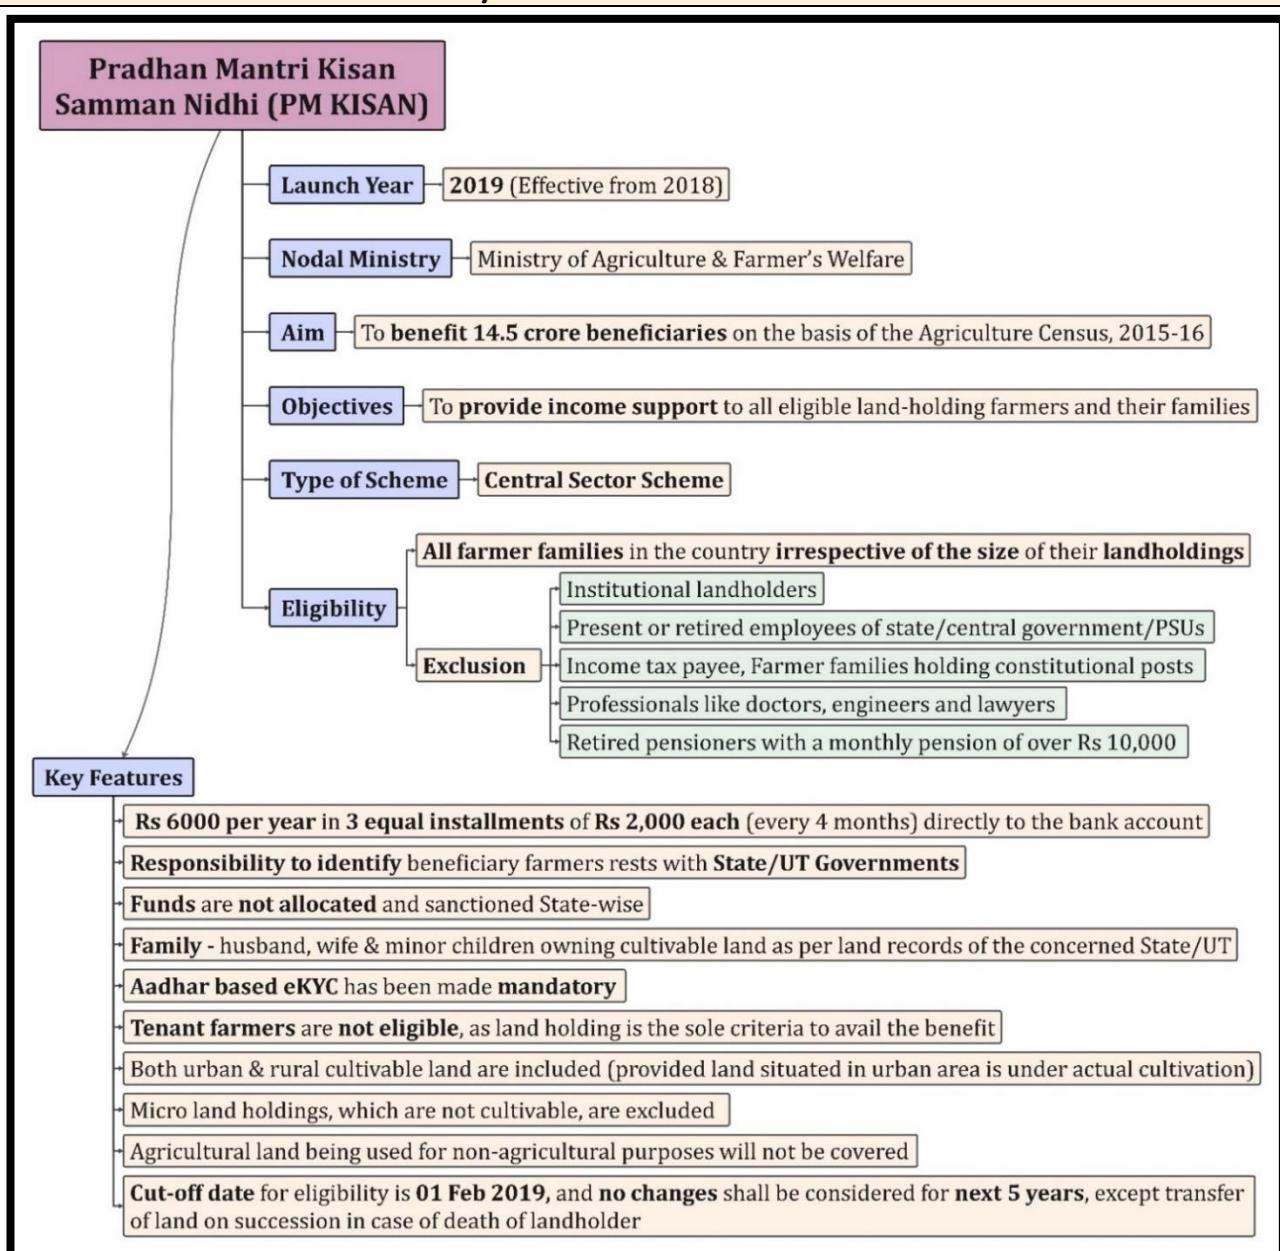

What's in News?

News – 1

- Recently, while addressing about the successful model of **Digital Payments** and **Direct Benefit Transfer (DBT)**, following data was mentioned.
 - More than **₹24.8 lakh crore** has been **transferred** through DBT mode since **2013**
 - ₹6.3 lakh crore** in **FY 2021-22** alone
 - On an average **more than 90 lakh DBT payments are processed daily** in **FY 2021-22**
 - Under the 11th instalment of **PM Kisan Samman Nidhi Yojana**, around **₹20,000 crore** was **transferred** directly into bank accounts of more than **10 crore beneficiaries**.
 - Data on **Digital Payments**:
 - More than **8,840 crore digital payment transactions** performed during **2021-22** and nearly **3,300 crore** in **FY 2022-23 (upto 24th of July 2022)**
 - On average **28.4 crore digital transactions** are performed in a day.

News – 2

- Rs. 11,395.38 crore** has been **given** to 61.43 lakh farmers in **Gujarat** under the **Pradhan Mantri Kisan Samman Nidhi (PM-Kisan)**, while **more than Rs.2 lakh crore** has been **disbursed** to 11.5 crore farmers **across the country** in their bank accounts.

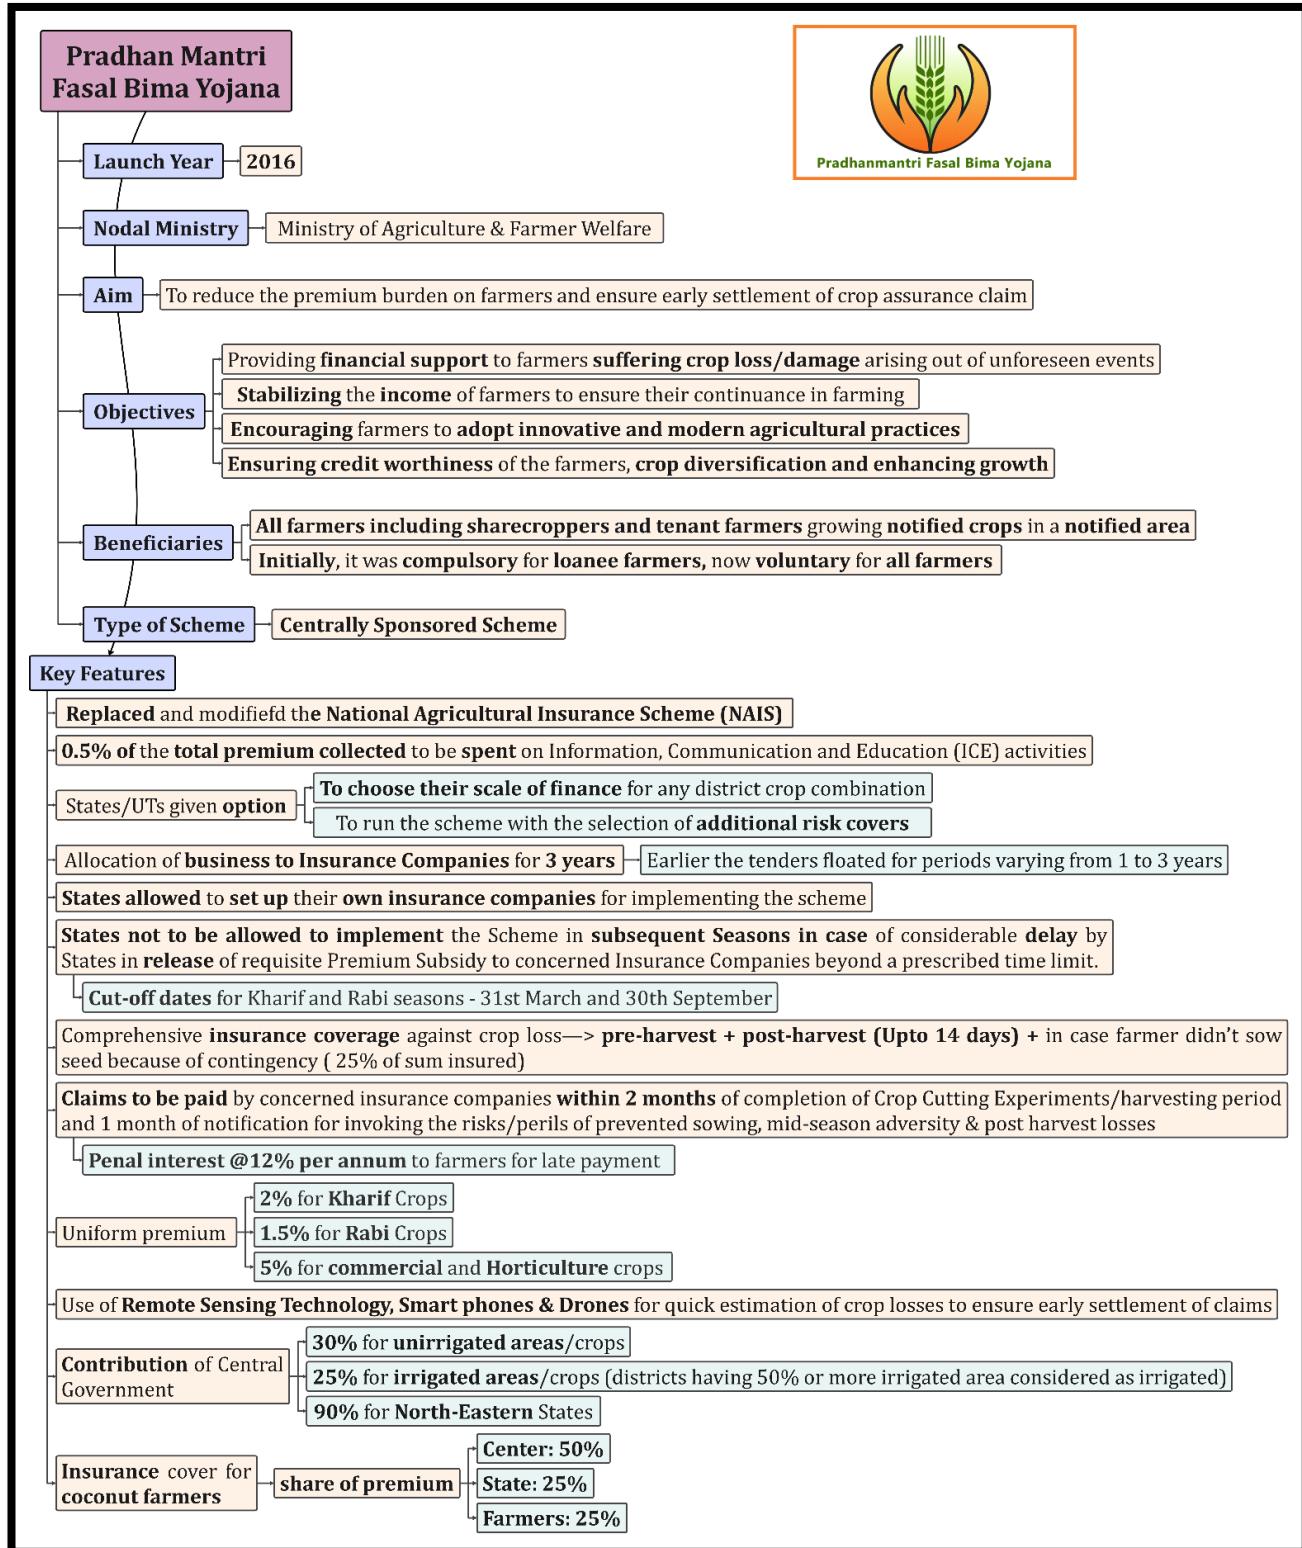

Test your conceptual clarity on this scheme – [Solve MCQs here](#)

1.4 Pradhan Mantri Fasal Bima Yojana

What's in News?

- Recently, the Conference of coconut farmers was held in Junagadh (Gujarat).
- While mentioning the steps taken by the government, it was announced that Minimum Support Price (MSP) was hiked by 1.5 times.

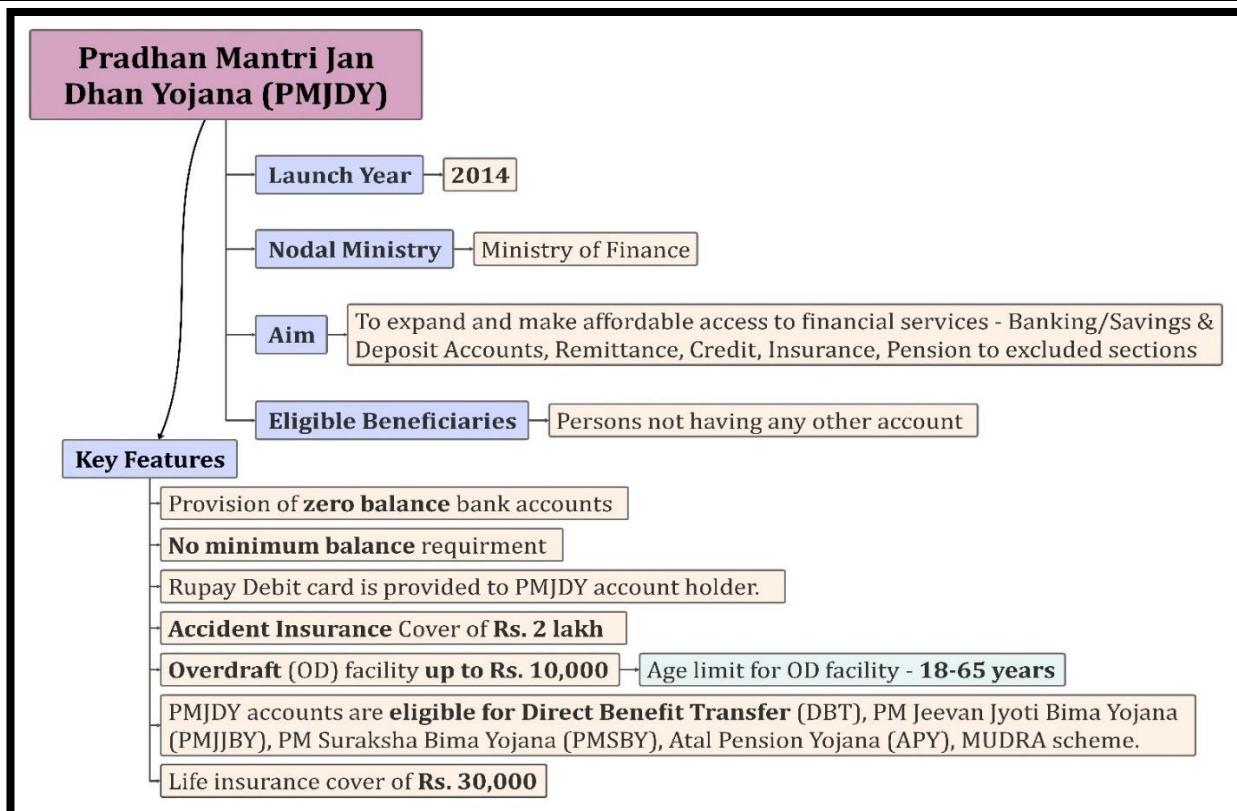

Test your conceptual clarity on this scheme – [Solve MCQs here](#)

1.5 Pradhan Mantri Jan Dhan Yojana

What's in News?

- PMJDY accounts have grown **threefold**, from 147.2 million in March 2015 to **462.5 million** in **August 2022**.
 - About 80% of the accounts are operational, and **women** hold about **56% of the accounts (310 million)**.
 - Total deposits** have soared 7.6 times to **₹1.73 trillion** between August 2015 to August 2022 while the average deposits have climbed three times to **₹3,761 per account**.
- About **9 million DBT transactions** are being processed daily. Total subsidies account for about 4% of India's GDP.

Test your conceptual clarity on this scheme – [Solve MCQs here](#)

1.6 National Health Mission (NHM)

What's in News?

- Recently, Union Minister for Health & Family Welfare chaired the **7th meeting of Mission Steering Group (MSG) of National Health Mission (NHM)**.
 - The **MSG** is the **apex decision-making body** of NHM that takes decisions on policies and program implementation under the Mission.
- India is the only country in the world** with a **four-layer health infrastructure** in place with a **10-lakh strong ASHA workforce** at the grassroots.
 - During the **7th MSG**, it was decided to **incentivize ASHA for creation and seeding of ABHA IDs** in various IT portals of **MoHFW (Ministry of Health and Family Welfare)**.
- Achievements made under NHM during the past few years:**
 - More than **1.20 lakh Sub Health Centres** and **Primary Health Centres** have been

- transformed as Ayushman Bharat – Health & Wellness Centres (**AB-HWC**).
- The Pradhan Mantri National Dialysis Program (**PMNDP**) has been implemented in **615 Districts** of 36 States/UTs at 1136 centres.
 - **Notification of TB cases** increased from 18.2 lakh in 2017 to **21.35 lakh in 2021**.
 - In 2021, the **treatment success rate of TB** had reached **83%**, the highest ever.
 - Major interventions in health have led to **reduction of Out-Of-Pocket-Expenditure (OOPE)** from 69.4% to **48.8%** as per NHA estimates.
 - **31 states** have achieved **replacement TFR** as per **NFHS-5 report**.
 - **3.16 lakh human resources** including doctors, nurses, lab technicians etc. (excluding ASHA workers) in States and UTs being **supported by NHM**.
 - Maternal Mortality Ratio (**MMR**) of India has **declined** by 453 points from 556 per one lakh live births in 1990 to **103 in 2017-19** (SRS 2017-19).
 - ✓ **7-states** have achieved the **SDG target of MMR**.
 - **Under-5 Mortality Rate (U5MR)** has **declined** from 126 per 1000 live births in 1990 to **35 per 1000 live births in 2019**. **8-states** have achieved the **SDG target of U5MR**.

National Health Mission

Launch Year — 2013

Nodal Ministry — Ministry of Health and Family Welfare

Aim — Attainment of **universal access to equitable, affordable and quality health care services, accountable and responsive to people's needs**

Health Systems Strengthening including infrastructure, human resource, drugs & equipment, ambulances, MMUs, ASHAs etc.

Reproductive, Maternal, Newborn, Child and Adolescent Health Services (RMNCH + A)

Communicable Disease Control Programmes

Non-Communicable Diseases Control Programme interventions

Infrastructure Maintenance to support salary of ANMs and LHVAs etc

Sub - Schemes — National Rural Health Mission
National Urban Health Mission

Goals

Reduce MMR to 1/1000 live births

Reduce IMR to 25/1000 live births

Reduce TFR to 2.1

Prevention and reduction of **anemia** in women aged 15–49 years

Prevent and **reduce mortality & morbidity from communicable, non-communicable, injuries and emerging diseases**

Reduce household **out-of-pocket expenditure** on total health care expenditure

Reduce **annual incidence and mortality** from Tuberculosis by half

Reduce the **prevalence of Leprosy** to <1/10000 population and incidence to zero in all districts

Annual Malaria Incidence to be <1/1000

Less than 1% **microfilaria** prevalence in all districts

Kala-azar Elimination by 2015, <1 case per 10000 population in all blocks

1.7 PLI Scheme for Large Scale Electronics Manufacturing

What's in News?

- The total outlay under the Scheme is **₹ 38,645 crore**.
- This PLI scheme has also generated employment for 28,636 people and the applications for incentives by the other beneficiaries will also be considered for approval soon, it added.
- The **Empowered Committee (EC)** headed by CEO, NITI Aayog has approved **first disbursement** of Rs 53.28 crore under PLI Scheme for Large Scale Electronics Manufacturing to M/s **Padget Electronics Private Limited** (based in Noida, Uttar Pradesh) as recommended by Project Management Agency i.e. M/s IFCI Ltd.
 - Padget Electronics Pvt. Ltd. is a 100% subsidiary of 'Dixon Technologies (India) Pvt Ltd'. It is the **first beneficiary approved** to receive incentive under **mobile manufacturing**
- 32-beneficiaries** had been **approved** under the **scheme**, of which 10 [5 global companies under category Mobile Phone (Invoice Value ₹15,000 and above) and 5 domestic companies] were approved for mobile manufacturing.
- The scheme is expected to generate employment for **7,00,000 people**.
- As of June 2022, the Scheme has led to total production of more than Rs. 1,67,770 crore including exports of Rs 65,240 crore.
- Over the last 3 years, **exports of smartphones** have grown by **139%**.
- It is expected that the **electronics manufacturing** will rise to **USD 300 billion by 2025-26**.

Production Linked Incentive Scheme (PLI) for Large Scale Electronics Manufacturing

Notified in 2020

Nodal Ministry Ministry of Electronics & Information Technology

Objective It proposes a **financial incentive to boost domestic manufacturing and attract large investments** in the **electronics value chain** including **electronic components and semiconductor packaging**

Key Features

Total Outlay - Rs. 38,645 crore

Tenure - Extended from the existing five years (FY 2020-21 to FY 2024-25) to six years (FY 2020-21 to FY 2025-26)

Offers a **production linked incentive to boost** domestic manufacturing and **attract** large investments in **mobile phone manufacturing and specified electronic components, including Assembly, Testing, Marking and Packaging (ATMP) units**

Boost the electronics manufacturing landscape and establish India at the global level in electronics sector

Extend an **incentive of 4% to 6% on incremental sales (over base year)** of goods manufactured in India and **covered** under target segments, to eligible companies, for a period of **5 years** subsequent to the base year as defined

Implemented through a Nodal Agency which shall act as a Project Management Agency (PMA) and be responsible for providing secretarial, managerial and implementation support and carrying out other responsibilities as assigned by MeitY from time to time

Under the **Second Round, incentives of 5% to 3%** shall be extended on incremental sales (over base year i.e. 2019-20) of **goods manufactured in India** and **covered** under the target segment, to eligible companies, for a period of **4 years**

Support provided only to companies engaged in manufacturing of target segments in India

Each application shall be **limited** to one of the target segments

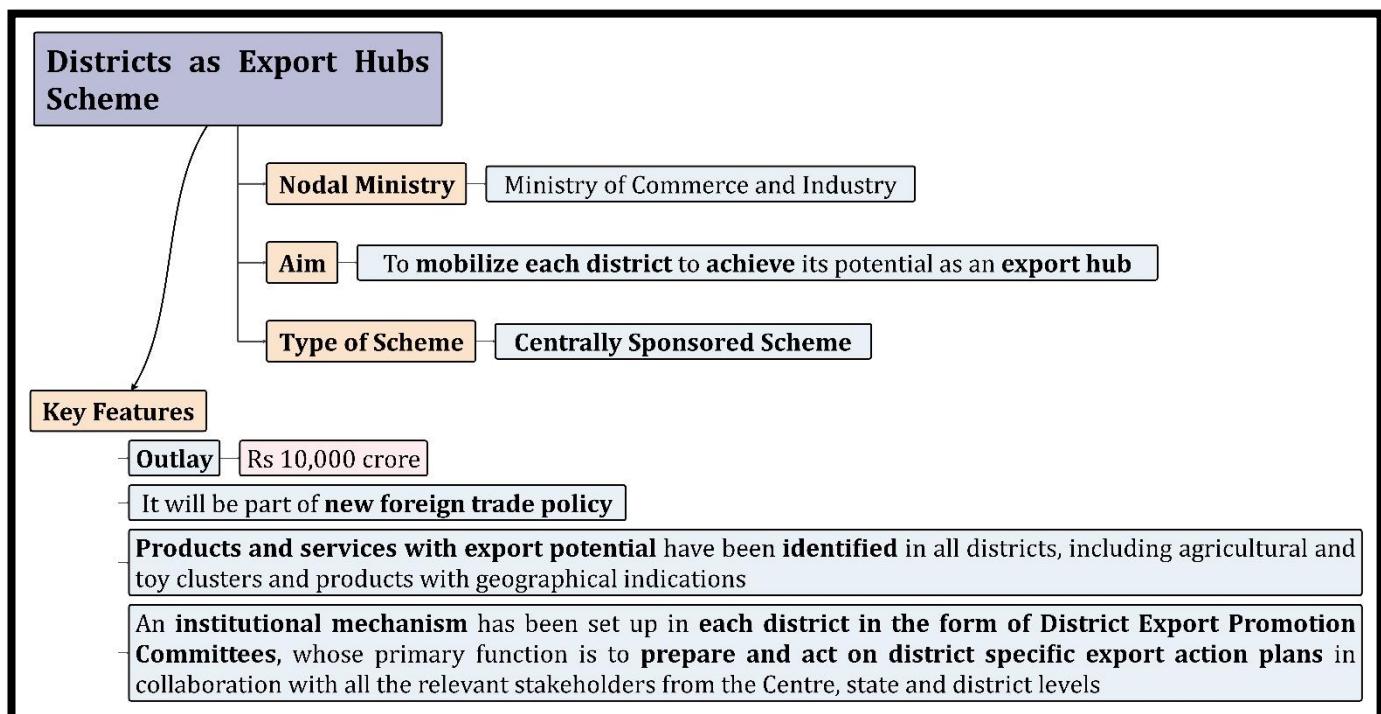

FY2019-20 shall be treated as the **base year for computation** of incremental investment and incremental sales of manufactured goods (as distinct from traded goods)

Test your conceptual clarity on this scheme – [Solve MCQs here](#)

1.8 Districts as Export Hubs Scheme

What's in News?

- The department of commerce will **develop 50 districts as export hubs.**
- Aim-** To **help domestic producers** in these districts **scale up and find potential buyers abroad** to boost exports.

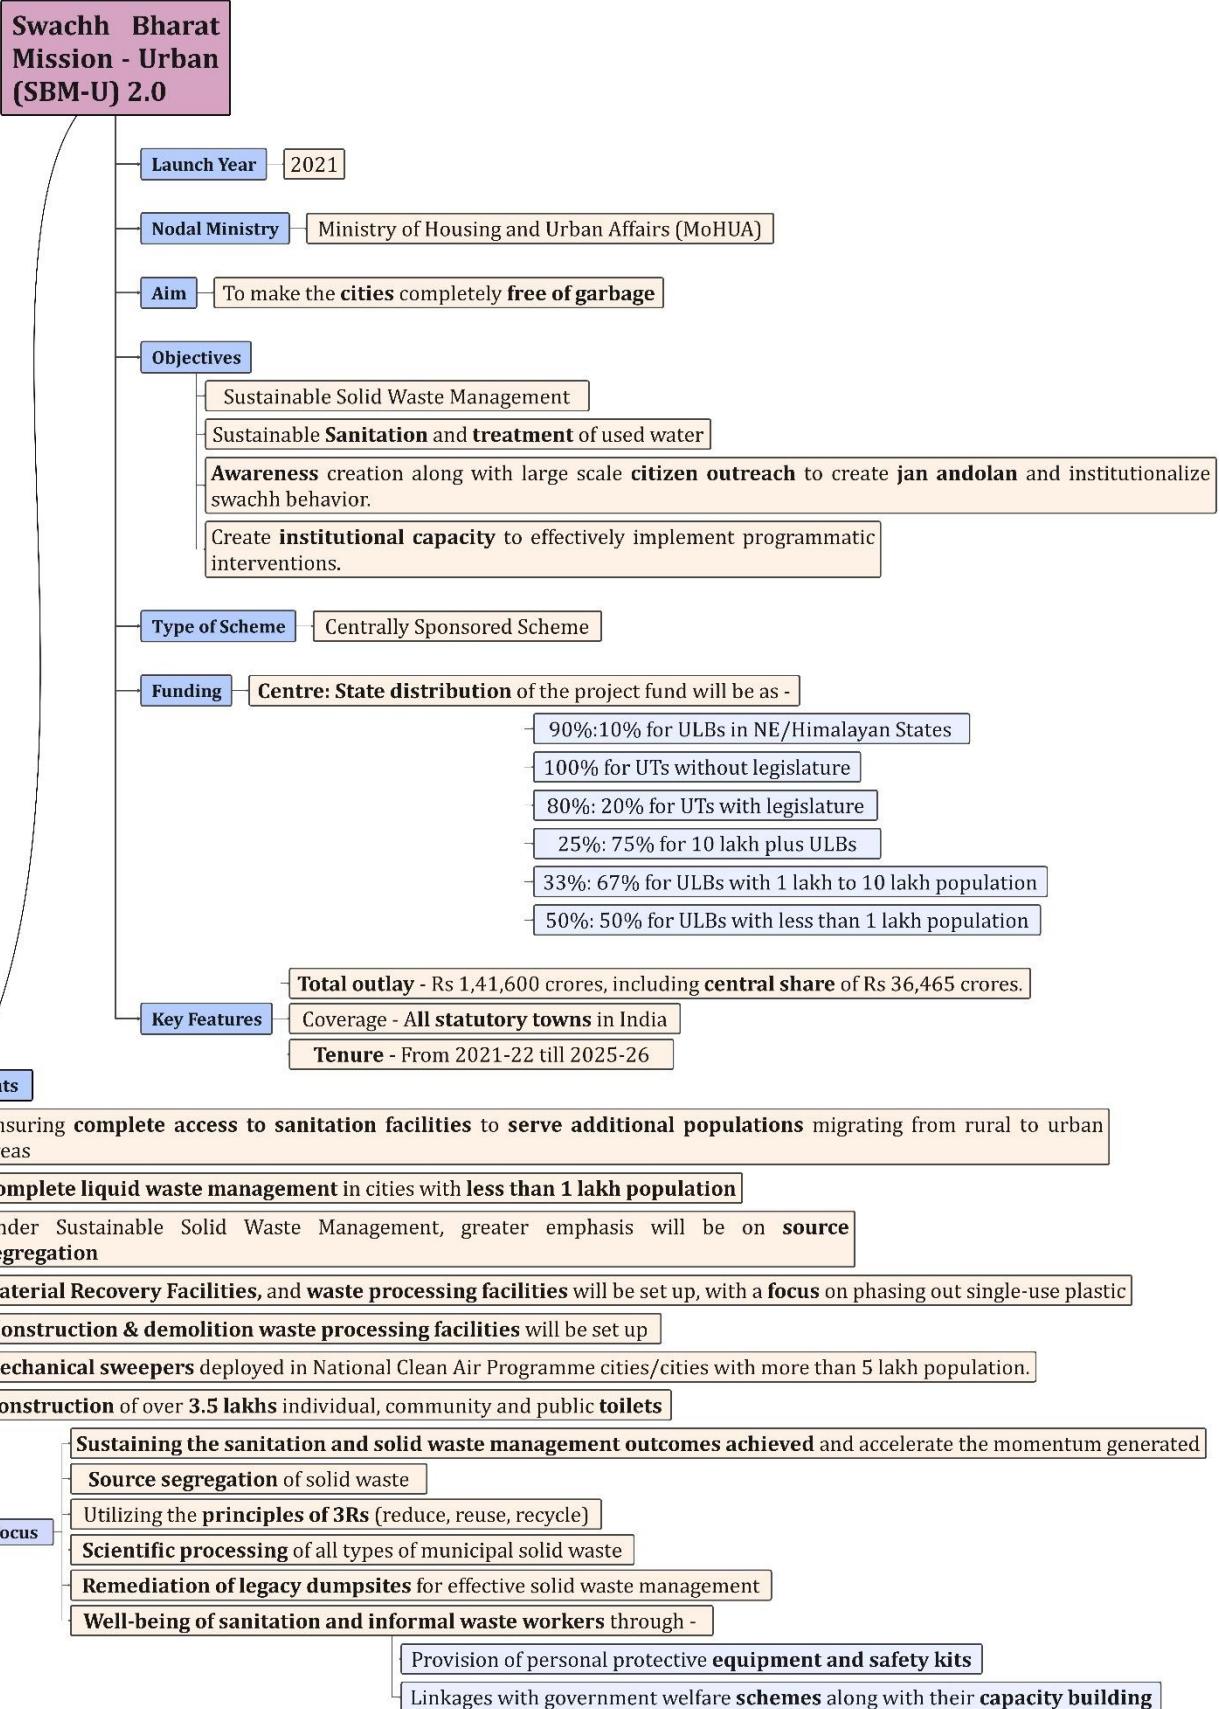

Test your conceptual clarity on this scheme – [Solve MCQs here](#)

1.9 Swachh Bharat Mission-Urban 2.0

What's in News?

- Recently, '**Swachh Amrit Mahotsav**' has been announced by the **Ministry of Housing & Urban Affairs** (MoHUA) to celebrate **8-years of Swachh Bharat Mission-Urban**.
- '**Swachh Amrit Mahotsav**' is a fortnight of activities to galvanize action around swachhata from **17th September 2022, Seva Diwas, till 2nd October 2022, Swachhata Diwas**.
- The fortnight will focus on **mobilizing citizen action** and commitment towards the vision of building '**Garbage Free Cities**'.
- The official logo for the fortnight, '**Swachh Amrit Mahotsav: Ek Aur Kadam Swachhata Ki Ore**' signifies the resolution to intensify and reinvigorate the Jan Andolan in the world's largest sanitation programme.
- The first ever '**Indian Swachhata League (ISL)**' has also been announced. It is an inter-city competition to take place between the youth of the cities.

1.17 Pradhan Mantri Garib Kalyan Ann Yojana (PMGKAY)

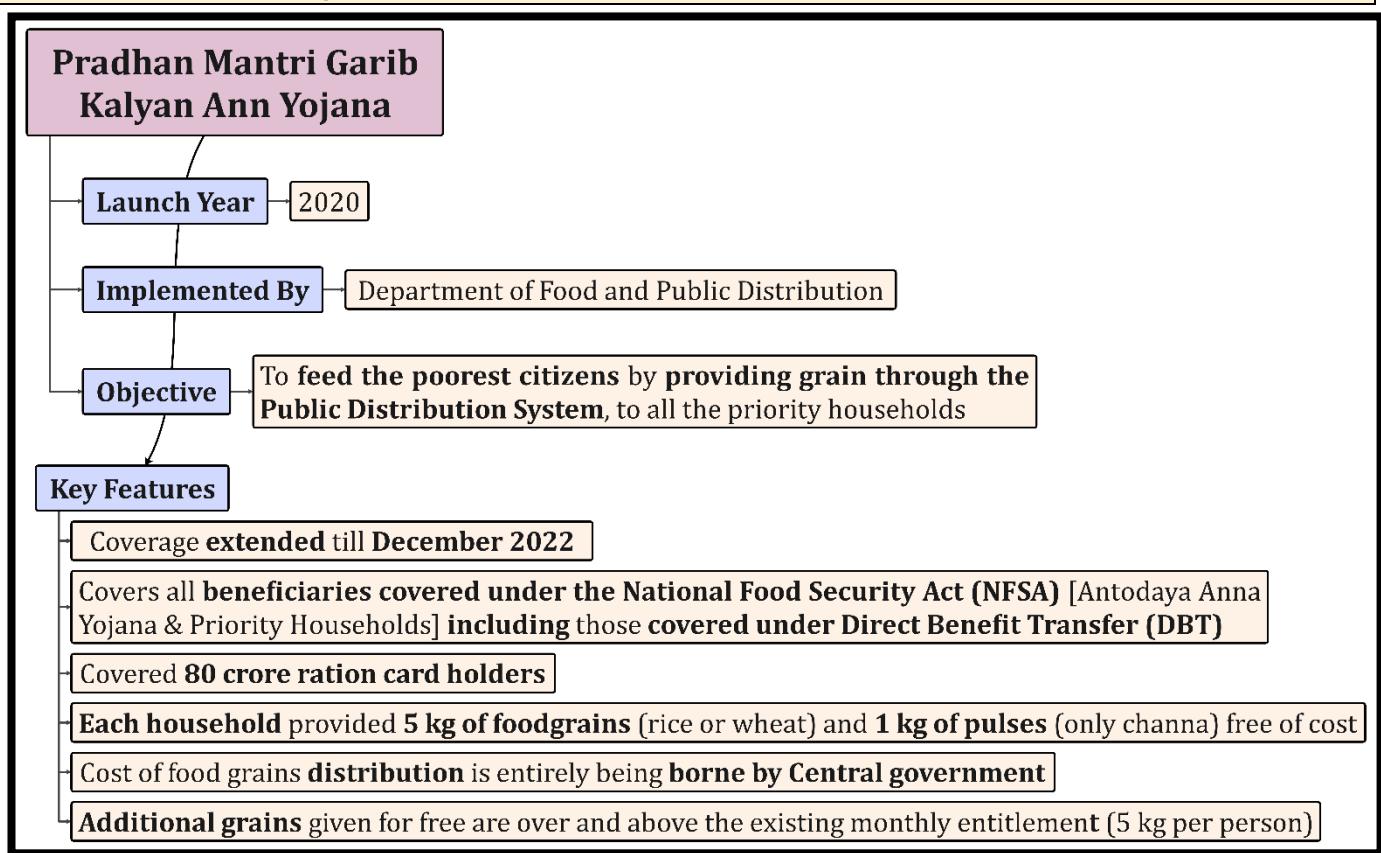

What's in News?

News 1

- Recently, the Union Cabinet has **approved the extension** for the **PMGKAY-Phase VII** for a **further period of 3 months** i.e. October to **December 2022**.
- With the **additional expenditure** of about **Rs. 44,762 Crore for Phase-VII** of this scheme, the **overall expenditure of PMGKAY will be about Rs. 3.91 lakh crore** for all the phases.
- The scheme gives **relief** to more than **80 crore people** in the country.
- The total outgo in terms of food grains for PMGKAY Phase VII is likely to be about **122 LMT**.
 - The **aggregate allocation** of food grain for phases I- VII is about **1121 LMT**.
- So far, PMGKAY has been in **operation for 25 months** as under
 - Phase I and II (8 months): April'20 to Nov.'20
 - Phase-III to V (11 months): May'21 to March'22
 - Phase-VI (6 months): April'22 to Sept.'22
- Effectively PM-GKAY has **doubled the quantity of monthly foodgrains entitlements** being normally delivered to beneficiaries.

News 2

- As on date, Food Corporation of India (**FCI**) has approximately **232 LMT** of **wheat** and **209 LMT** rice in the **Central pool**.
- Even after meeting requirement of stock under different schemes, as on **1st of April 2023**, FCI will be having **stock comfortably more than the buffer norms**.
 - It is estimated that as on 1st of April 2023, **approximately 113 LMT wheat** and **236 LMT rice** will be available in the **central pool** after meeting all the requirements, against the **buffer norms of 75 LMT of wheat** and **136 LMT of rice**.
- Under **PMGKAY phase VII** (Oct 2022 to Dec 2022) a total quantity of **119.62 LMT foodgrains** (21.01 LMT wheat and 98.61 LMT rice) is to be **distributed** during **Oct 2022 to Dec 2022** among **79.75 crore beneficiaries** covered under **NFSA** free of cost.
- As per Food ministry, during the forthcoming Kharif marketing season (**KMS**) **2022-23**-
 - A quantity of **51.8 million tonnes** of **rice** has been estimated for **procurement** against 50.98 million tonnes actually procured during the KMS 2021-22 (Kharif Crop).
 - A quantity of **13.71 lakh tonnes** of **coarse grains** (considered as 'Nutri-Cereals') has also been **proposed for procurement** by the states as against actual procurement of **6.30 lakh tonnes** during KMS 2021-22.

1.18 Remissions of Duties and Taxes on Exported Products (RoDTEP) scheme

What's in News?

- Union government has extended the validity of the **e-scrips** (RoDTEP scrips) issued under the duty remission scheme to **2 - years** from 1 – year from the date of their generation.
- Under the Scheme, **exporters are given tax rebates** to the tune of **0.5-4.3%**.

Remission of Duties and Taxes on Imported Products (RoDTEP)

Implemented in 2021

Nodal Ministry Ministry of Commerce and Industry

Objectives To offset **infrastructural inefficiencies** and **associated costs** involved in exporting goods which are manufactured in India, including products manufactured by the MSME Sector

Rs 50,000-crore exports programme is supposed to replace **Merchandise Exports From India Scheme (MEIS)**

Reimburse input taxes and duties → Initiate the **refund of various taxes** to exporters

WTO compliant → Reimburse all taxes and duties paid on inputs consumed in exports in sync with the WTO norms

Automatic refund-route → have a **fully automated route for Input Tax Credit (ITC) in GST**

Avoid double taxation → helps in avoiding double taxation and the cascading effect of taxes

Attempt to reverse export fall - Measures in the new scheme include -

Easier priority-sector lending norms for exports

Greater insurance cover under ECGC

Lower premium for MSMEs to avail of such cover
