Your One-stop Guide to
GOVERNMENT SCHEMES

November 2022

About the document – Read me!

Why Government Schemes are important?

Government schemes play a very important role in **Phase 1 + Phase 2 of RBI Gr B and NABARD Gr A/B**, their weightage is especially high in Phase 2 of both these exams. Almost **one-third questions** are directly or indirectly linked to the schemes, **previous year papers** are the eyewitness.

What to cover for Government Schemes?

All the **newly launched schemes** in past one year and **the old schemes that have been in news** and are directly/indirectly related to the syllabus of the examination.

How are we covering it?

We advise you to refer to this document for the coverage of the above-mentioned Government schemes. It contains **summary + latest data/current information** of all the schemes that are newly launched and also the old schemes that have been in news (either any update or mention in parliamentary sessions/media).

Let's understand this document!!

The whole document has been **divided into 3-sections** i.e. **First Section, Second Section, and Reference Section**. Let's understand about the three sections.

- First Section:** This section comprises of the schemes which were in the news recently **for any of the following reasons-**
 - It is a **newly launched scheme**. For example: Government of India launched NAMASTE Scheme.

Ministry of Housing & Urban Affairs

Azadi Ka Amrit Mahotsav

500 Cities Declare Mechanized Sanitation

All Indian Cities to be SafaiMitra Surakshit by March 2024

Ministry of Housing and Urban Affairs with the Ministry of Social Justice and Empowerment launch 'NAMASTE' (National Action for Mechanized Sanitation Ecosystem) Scheme

- There is an **update** in the **core structure** or the **key features of the scheme**. For example the tenure of the below mentioned scheme has been extended till 31st March 2024.

Press Information Bureau
Government of India
Ministry of Textiles

Centre extends RoSCTL (Rebate of State and Central Taxes and Levies) scheme till March 31, 2024 for export of apparel/garments and made-ups

ROSCTL has helped in improving export competitiveness: Chairman, AEPC

- Some data regarding the scheme was released recently.

Ministry of Jal Shakti

In 35 months, Over 6.56 Crore new tap water connections Provided under Jal Jeevan Mission

Over 51% Rural Population in the Country getting potable water

MyGov organizes Sabka Vikas Mahaquiz on JJM

- The details of the scheme were mentioned in the article itself.

Ministry of Education

Salient features of samagra shiksha abhiyan

Posted On: 03 AUG 2022 3:58PM by PIB Delhi

The major features of Samagra Shiksha for improving the access, infrastructure and quality of education throughout the country are:

- Universalising access to quality education by provision for new/ upgradation of schools from **pre-primary** to senior secondary level and strengthening of existing schools including provision of barrier free access for Divyang children. **Addition of new subjects** instead of Streams in existing senior secondary schools.
- Support for mainstreaming of out of school children extended from elementary level to children in the age group of **16-19 years** through open schooling.
- Provision of upgradation of **Kasturba Gandhi Balika Vidyalayas (KGBVs)** to provide residential and schooling facilities upto Class-XII. Provision of Incinerator and sanitary pad vending machines in all girls' hostels.
- Provision of free textbooks to all children and free uniforms to all girls, SC, ST and BPL boys at elementary level including primers/textbooks for tribal languages with bridging materials.

- 2. Second Section:** This section contains the scheme which was in the news and **only the name of the scheme was mentioned** in the article **without any update/change** and the scheme had not been covered in SchemesTap document of the last 3 months. Then the scheme will be covered in the tabular form.

Health Regulator geared up for smooth transition to licensing of Class A and B Medical Devices w.e.f 1st October 2022

National Medical Devices Promotion Council takes up important issues of MedTech Industry

Posted On: 14 SEP 2022 8:00PM by PIB Delhi

The reconstituted National Medical Device Promotion Council (NMDPC) under the Department of Pharmaceuticals, in its first meeting held today at Dr Ambedkar International Centre in New Delhi, was updated on the steps taken up by Central Drugs Standards and Control Organisation (CDSCO) and the State Licensing Authorities (SLAs) for the smooth transition to licensing of Class A and B Medical Devices w.e.f 1st October 2022. The Council under the chair of the Secretary, Department of Pharmaceuticals has members from stakeholder departments / organizations, functions of which have a bearing on the growth of the sector and has representation from several medical device industry associations, representing the sector in India. The NMDPC deliberated on the Important issues of the MedTech Industry.

At the outset, the Department of Pharmaceuticals presented the latest status of the various initiatives taken by the Department for the sector to the Council such as 100% FDI in MedTech Sector on automatic route, **PLI scheme for Medical Devices**, Medical Devices Parks in four States, Assistance for common infrastructure facility of

3. Reference Section: What will be covered in this section??

The schemes which have already been covered in any of the SchemesTap Document of the last three months, will be covered in tabular form with reference to the old document in which it has been covered.

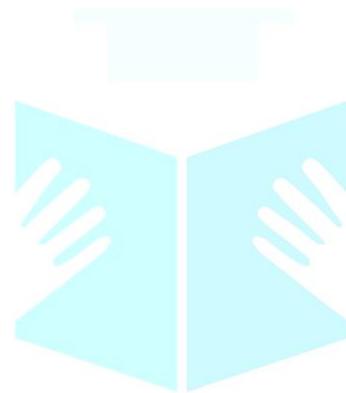

What's New in this document?

Your preparation is half-baked till you master the **skill of solving questions**. We are providing you **MCQs** based on the **core features of schemes**. Curated with precision, these MCQs will help you assess your understanding of the concepts.

We have integrated direct link to the questions after each scheme in this document.

It's simple - you read a scheme, go through the Mind-map for easy retention, then click on the link to practice MCQs.

Happy learning!
